

Personal Lines Agent

Overview:

This is a sales and service position. Insurance license not required at time of hiring but will need to be obtained within 90 days of hire date. The primary objective is to promote sales of new and existing business. The secondary objective is to provide excellent customer service for the client to generate growth for the agency. This position involves talking on the phone to clients and answering their product questions, solving problems and cross selling. The agent will be required to carry the agency's reputation in a professional manner when conducting business with both clients and companies that FCIS represents. The agent needs to learn their job duties, have a positive attitude, and ask for help when it is necessary.
